Agenda Items

1. Reports Back

President

1. TCSA Handbook
 - i. Suggestions for changes: revise number of students to approximately 350 enrolled, increase the number of graduate programs to 12, mention the endowment bursary fund, etc.
2. CFS Update
 - a. CFS is aware that the referendum is not to occur and is supportive of the decision.

Vice-President

1. Conversation with Human Rights Commissioner re: anti-choice posters on campus
 - a. Potentially meeting with Sarah on Thursday and would like an official GSA stance on the issue

Motion by Sarah: While the GSA believes in the spirit of academic freedom and maintaining a stimulating intellectual environment at Trent, the GSA condemns the use of advertising and informational tactics that are overly aggressive, malicious, and potentially deemed offensive by members. It has been brought to our attention that a particular poster lately distributed on campus, including on official Otonabee College poster boards, was not only tasteless, but potentially racist and sexist. We urge those with authority over the content of college message boards to be more vigilant.

Seconded by Adrienne
Vote: 7 agree, 0 opposed, 4 abstained.
2. Elections/Nominations
 - a. Nominations closed last night, March 25, 2008.
 - b. Elections open on March 27th at midnight and close on April 3rd at 11:59pm. Stacy has sent out a reminder email.
3. CASSC/ Revised NAMP

- a. David: We should be aware of the fact that opposition of NAMP by the undergraduate students during elections was around 70%. David suggests opposition as a strategy as opposed to acceptance of the new NAMP.

Motion by David: While the NAMP Task Force has made significant improvements on the original NAMP Pilot Project, the document institutes an illegitimate court that sets up a parallel justice system that includes a doubling over of the jurisdiction of the state and the jurisdiction of the institution. In view of the recent overwhelming opposition to a NAMP as demonstrated by the undergraduate referendum, the GSA opposes any NAMP including the Trent University Charter of Student Rights and Responsibilities.

Seconded by Stacy

Vote: 8 agree, 0 opposed, 2 abstained

4. Constitution Update

- a. A sub-committee meeting is scheduled for Monday March 31, 2008. Revisions/updates are almost complete.
