Whereas Shots Lounge was originally proposed for the venue to host our Spring Fling on April 7th, 2017 at 7:00pm, and Whereas the manager of Shots Lounge informed me Shots the venue is already booked that night, and Whereas ARIA Nightclub, located in downtown Peterborough at 331 George St. N., is willing to host us on April 7th, 2017 at 7:00pm, BIRT we change the venue for the TGSA Spring Fling on April 7th, 2017 at 7:00pm to ARIA Nightclub, and BIFRT the TGSA VP Student Affairs can change the venue and/or date and time of Spring Fling, with adequate notice to the TGSA Board of Directors, should any scheduling conflicts for the event arise in the future. Justification: I had initially proposed Shots Lounge for the venue to host our Spring Fling. However, Eric, the manager of Shots Lounge, reached out to me to explain that Shots is booked for that night. I spoke to ARIA and they are willing to host us on April 7th. We need a venue to host our end of year party—since Shots is already booked, ARIA is the only other venue that is large enough to accommodate us, so we might have to go with them.
